

Society of Women Engineers

UC Riverside Section B079

Advance · Aspire · Achieve

SWE General Meeting Monday, October 3rd, 2011 5-6PM, Bourns A265

Hello New Members and Old Members!

I would like you to thank you for coming out to Society of Women Engineers first general meeting on October 3, 2011.

I hope you enjoyed playing the balloon introductory game, I see that many of you enjoyed popping those balloons, right on!

Society of Women Engineers (SWE) Scholarships

-Apply for them!! (Have to be registered National member of SWE)

-I encourage everyone seriously interested in becoming a part of SWE to register as a National Member of SWE.

How to register:

1. Go to www.swe.org and click >> http://societyofwomenengineers.swe.org/index.php?option=com_content&task=view&id=3&Itemid=4
 - For first time members, the price is \$20.00. Joint memberships (i.e. SHPE +SWE and/or NSBE + SWE) are only \$27.00!!
2. After registering for the site, exit the page and go to: <https://scholarships.swe.org/applications/login.asp> and click the **Online Scholarship Application**. **Note, Scholarship applications for SWE do not open up until December 1, 2011 so mark your calendars!

How can sWE help YOU?

-Outreach/Volunteer hours

Not only does it feel good to do good for others, but volunteer and outreach looks great on a resume, especially for many people who do not have work or research experience

-Participate in FIRST Robotics

- Engaging activities where high school students get to build their own robots and compete in regional and national competitions with other teams
- Conferences where companies look to hire students

-Participate in activities with the Girl Scouts of America

-Professional and Career Development

T-Shirt Design Contest!!

If you have any crazy/funny/cool/serious/nerdy designs for a SWE t-shirt, please submit one to swe@engr.ucr.edu.

The lucky winner will receive an awesome prize!

Also, if you are interested in purchasing the current SWE shirt, you can bring \$15 to purchase a shirt at our NEXT meeting, OR purchase them here at:

<http://www.storenvy.com/products/61102-swe-gears-of-engineering>

Our next meeting will be **Monday, Oct 7, 2011 in Bourns A265,**
