

Officer Notes 10/30/12

Socials:

Update on SWE potluck? Paige invited to LC and all of the other clubs so please prepare a head of time.

Also please advertise early, send me your flyers first plz. And lets start making a google doc list of things people will be bringing.

Do we want to make the big bear (one day trip to play in snow) end of this quarter or beginning of next quarter?

Outreach:

Salsa can you please take charge of the robotics judging event. Bre will be at the annual conference with me. So email the students who signed up and get the details about the event from the coordinator.

Fundraising:

The getaway check is not cleared yet, we have to submit it to ASUCR and for now our account isn't opened yet. I believe getaway changed their percentage to 15% so we should look elsewhere.

Can we check on Jafangs because I heard they do 20%. Or maybe even boba teahouse?

New shirt designs, how many do you think we should order. Should we keep the shirt prices the same or lower them soon?

Also we wanted to maybe make Swe gear, such as lanyards or decals. What do you ladies think?

Secretary:

Please start working on the e-postcard. It's due Nov 15th. Let me know if you need help, but not last minute please!

Historian:

Do you think you can come to one of SWE's volleyball games for ~ 20 minutes and take pictures.

Documentation! We have 3 games left and they are Thursdays 830pm @ rec center

Upcoming Events:

November 10th Robotics Competition. Please advertise and get people interested in going.

November 19th time management theme, Shrina please let me know if you need any help preparing for the event.

I went to home depot this weekend and melamine covered boards were like 3 X 1.5 ft for 10 dollars and they were similar to shelving material, kind of thick. And I saw large whitboards which were the same dimension and price. I don't think we'd be able to supply whiteboards for ~ 50 people. Please let me know if you find better deals.

Also what food do we want for this meeting? I've been buying pizza because I have a deal with a local restaurant but I'm open to suggestions.

November 20th Swe Potluck.

Dec 1st SWE-OC Winter Party. (clubs from all OC sections, white elephant gift exchange)

Notes:

Ladies for conferences next year please do this! <http://www.stilettostosteelttoes.com/> Pretty awesome and easy to get money! I wish I knew about this beforehand. 100\$ per submission! And only short paragraph! Wow!

I will write a thank you card to Carla for being a guest speaker at our previous meeting and I would like it if everyone could sign it. I will put it in the SWE desk in the clubroom. Please sign by Friday.

Shrina, would you like me to make one for the Career center for doing the event today?

Everyone please advertise your events, I think that's something we need to work on XD flyers and etc.
