

Officer Meeting Updates 02/11/12

If you know that you will be busy, please let me know. I know first priority is school. I am a student too. Please do not tell me last minute, it does not please me!

- **Danah and Lamees** will now be working on the SWEekly newsletter.
Next week we can talk about how we are celebrating Engineering Week and then talk about the fun time we had during the Valentines auction.
Also we will need to post at least 2 posters about E –week by **THIS WEDNESDAY**.
- We will be tabling at the bell tower for E-week
I decided to do little electronic kits. I realized that jelly bean towers are not for CHASS people, they might not be technical, but they are not 7.
TABLING: **Tuesday 12-2 2/19**
Wednesday 12-2 2/20
I need volunteers
- Mesa Night is also next Wednesday so we need as many volunteers possible.
This will be at the **Bourns Patio 7-9PM 02/20**
We need to think of an activity. These students are middle school-aged.
- Dodgeball Thursday **02/21 7-9PM** official team is already made and submitted.
Salsa, will we be having practices or any kind of uniform?
- Next Friday will be **“Battle of the Majors” 02/22** LC Social Event. We can make teams of 4 people but they must be the same major. Jeopardy like event. Competing for prizes
- **March 9th** we will be tabling for Highlander Discover Day. Half day tabling event.
Need volunteers.
- **Katelyn and Steph** I think the best time to have the hotdogs fundraiser at the bell tower should be week 8 so please look into that.
- **Beth and Susana:** Are you all set for the Auction? Do you need any help? Also, we should have a kayaking social at the end of the quarter. Please look into places where we can have it and prices.

- SACNAS Science Olympiad Day. Need volunteers to help judge for “egg drop rotor” event.
