

Hello ladies,

I think that our SWEe hearts auction was a success! Congrats Susana and Beth and everybody who helped with the event.

Danah and **Lamees** please work on this week's newsletter. (And all future newsletters)
Brenda will be writing an article about the Valentines Auction for you. Don't forget to add that we are celebrating e-week and put in the flyer you made!

Lamees, can you send me a list of all of the graduate students that have attended any of our events/meetings?

Danah, please work on the scrapbook pages. Remember emphasize pictures with professional members. For some ideas you can grab pictures from:

SWE-OC ice cream social

SWE-OC Fall training

SWE-OC Spring training

SWE-UCR Fluor event. (one of the speakers was the SWE-OC president)

Refer to the email I sent you for rules and details.

Beth, Can you make a survey monkey questionnaire asking the auctioned volunteers and all swe members what they liked about the event, and if they have any suggestions for next year.

Bre and **Salsa**, please work on logging in some hours onto the sweeter futures program. I have forwarded you more information.

- Have anymore grants come in for SSED?

Steph and **Katelyn**, is there any update on the hotdog fundraiser at the belltower? In my last officer meeting update I wanted to shoot for week 8.

Paige, is everything all set and ready for the Utah trip?

Lookout for these upcoming events, participate whenever you can.
