On the left sidebar, click text, add all the phone numbers/groups (officer group has already been updated) and send. This number can also be used to contact members officially or other contacts you are not familiar with.

Our google voice number is (909)9-SWE-UCR (or [\(909\)979-3827](tel:9099793827))

By signing and 'joining' TEDxUCR, it will allow their budget to increase.

• **Outreach Opportunity - First Robotics Competition with Temecula Prep**

Temecula Prep is a small charter school and they have asked for our help and participation with helping them with their robotics competition.
