

- November 19th will be our last general meeting of the meeting. So our last officer meeting of the quarter will be on Nov 26th. Please attend and do not be late, this meeting is very important because we will be planning out our entire quarter next quarter so we can be more organized next time. So please be ready to contribute at least two events or ideas from your area/category.
- Also I will have 1 or 2 people assigned to help me prepare for each general meeting because you need to see what it's like to host a meeting, and most of the time I could really use the help.
- Most of you should of signed up for classes by now so please fill this out so we can determine a beneficial time for our meetings next quarter:

Socials: Upcoming potluck looks like everything is good to go. They already made flyers and are posting them. Good job. Looks like we'll be making some main dishes. Is there a time that you want to meet up to cook or something, if you are going to buy let me know first.

Outreach: Good job on the robotics competition I heard it was a success. Please find pictures so we can post them on the website.

Search through the SWE email and find companies that have asked us to participate with them in outreach events. There should be at least 2.

There is this event

Girl Scouts B.I.G. Expo

The B.I.G. (Believe in Girls) expo will feature girl activity areas, entertainment from Disney and Nickelodeon and remarkable exhibitors – like SWE-OC! Last year, we attended and were able to teach all the girls who came by our booth about engineering. We are looking for volunteers for this year to do the same!

Where: Palm Springs Convention Center

When: Saturday, December 15, 2012 – 10:00am to 4:00pm

RSVP: Please RSVP to Emily at swe-oc-outreach@swe.org and we will start planning with

those who are interested. **But its during the break so let me know if it's a no.**

Fundraising: Steph and Katelyn and waiting to hear back from yogurtland, and If that doesn't work they are working something out with Zorbas.

Do you guys think we can do any holiday fundraising? Maybe cookies, cake pops, or anything of that sort? Something not too difficult though.

T-shirts: We have some awesome submissions, but did we think about how we are going to purchase these shirts? Our ASUCR account is not open yet and for ASUCR and DEANS we are not allowed to buy shirts with the money, who is willing to front the money and get slowly reimbursed. I cannot, I fronted a lot of money for the club and I still need reimbursements!
