

Regional Conference

SWE@UCR ventured all the way up to Salt Lake City, Utah this weekend for the 2013 Sonora Region B Conference. The annual Regional Conference brings together both collegiate and professional SWE members from the neighboring states of California, Arizona, Utah, Nevada, and New Mexico for a weekend filled with networking, workshops, and professional tours. This year we were recognized for our outreach efforts at the 2012 Bourns Engineering Day and were presented with the collegiate award for Outstanding Program. We were also presented with a handmade, crocheted bee for “bee”-ing one of the most involved sections in Region “Bee”. Thanks everyone for all of the hard work – let’s continue to BEE awesome!
